

WHO WE ARE...

Chris Reilly
Managing Director

Chris started Signs Express (Plymouth) in 1997 after serving in the Royal Navy for 25 years as a submariner. Chris is always active and promoting our products and services. You will often see him at local events, or on the water sailing.

Steve Heath
Manufacturer and Installer

Steve is a qualified 3M wrap installer for your vehicle graphics, as well as being one of our main fitters. Steve and his wife have recently become parents for the first time to a bouncing baby boy.

Mark Timson
Production Manager

Mark has a lengthy sign industry background, and extends his knowledge and experiences with anyone that will listen long enough after he's spoke about his love for music and Liverpool FC first!

Sam Johnson
Manufacturer and Installer

Sam is our lead manufacturer of bespoke signage and installation who has recently obtained qualifications for PASMA, CSCS, IPAF and Avery wrapping. He's often found at our CNC sabre router.

Matt Clements
Sales and Marketing

This Cornishman has worked abroad (over the Tamar is not abroad Matt!) for a leading sign company in Gibraltar and also in St Austell where he grew up. He holds NVQ levels 2 and 3 in signmaking, and is often the first to the phone!

Vida Reilly
