

Welcome to our spring newsletter. We've been very busy over the past few months and wanted to share some of our stories with you. We're excited to be turning 10 this year, so we'll tell you about that, and also about our exciting competition!

## Landmark anniversary celebrated!

We are delighted to be celebrating our 10th year in business this year. To say thank you to the local community for being a part of the success we have enjoyed over this time, we have launched an exciting competition to win one of 10 roller banners.

In February 2004, we opened our fully equipped sign making centre in Rotherham and since then, have expanded our territory to include all of Sheffield, providing comprehensive signs and graphics solutions to companies large and small.

Members of Rotherham & Sheffield Chamber of Commerce, we have received many commendations and awards over the years at the sign excellence awards; these include accolades for our work with Forgemasters, Sheffield Art Galleries and Museums and most recently the Sheffield Children's Hydrotherapy Pool.

Part of our centre's success is due to our unwavering commitment to excellent customer service and building strong business relationships.

One fantastic example of this is a recent four year contract as the preferred supplier of general signage to Rotherham Metropolitan Borough Council, a long standing client of ours.

To celebrate our anniversary, we have launched a competition to give back to the local community. We are giving away 10 pull up banners to local charities or community projects, as nominated by our Twitter and Facebook followers. We are asking people to tell us, in no more than 50 words, who should win and why. Our 10 favourites will then receive a pull up portable banner stand with a design of their choice. This is a fantastic prize, enabling the winners to create an eye catching marketing opportunity to grab attention for their cause.

## COMPETITION!

Nominate your favourite local charity or community project to win one of 10 pull up banners!

Tweet us or tell us on Facebook who you are nominating and why they deserve to win.

Our 10 favourites will receive a pull up portable banner stand!

All nominations must be received no later than 31st May, winners will be announced in June. Full artwork to be provided by winners, prizes to be collected from our centre.

## Prestigious contract with local council

We have been awarded a further four year contract as the preferred supplier of general signage to Rotherham Metropolitan Borough Council.

Following a tender process, we were delighted to receive the contract which will take us into our seventh year of working with the council.

We provide a wide range of signage solutions for the council ranging from health & safety to bespoke signage. As with all councils, budget needs to be carefully considered and so we work closely with the local authority to offer advice and ensure cost effective solutions are provided.

## Woolley rhino gets a bath!

We were delighted to be asked to provide a new information panel for Weston Park Museum's woolley rhino who's recently been spruced up for the warmer months, as well as digitally printed wall graphics with laminated prints for the museum shop. Perfect timing for the Easter holidays, so head on down for a day of fun!

## Focus On: Custom Wall Coverings

One product which has been really popular recently is our custom wall covering. This fantastic and versatile product can be placed on any wall with any design to create a fantastic environment for your room. We have been asked to provide coverings for all sorts of businesses as well as schools, colleges and swimming pools to name but a few. The coverings can also be created for personal use in homes. Why not give us a call and see what designs we can come up with together for your home or business?
